Chief's report 12/16/14

Radio system & MDC (mobile data computers)

CCPD has updated all of our MDC.

Station alerting radio (zetrone) needs updating this will cost \$3,500.00. We are piggy backing on the city bid.

CCPD has bid a microwave antenna system for the station cost \$2,000.00. This is a must to keep getting call from dispatch.

Time line for this project is 6 to 8 weeks. We are in line to get the upgrades as the city fire stations are getting them.

Christmas Float gave out 8,000 bags of candy. The crowds were some of the biggest we have seen.

One runner was injured this year on day 7. She was stepping down and fell and broke her femur.
